QUALITY is extra important this season—you ought to enjoy the advantages that this quality store offers you—our firmness on quality is a real safe-guard for you. We mention the fact because of the fact that quality bars are lowered in many stores—the market is full of unreliable clothing—none of it is offered here. We're ready with a magnificent stock of Hart Schaffner & Marx fine clothing for Spring and Summer wear—it's as fine as any we've ever offered—high quality, good value, guaranteed service. As usual our double guarantee holds good for each and every article you buy—for color, service and your satisfaction. Pay \$25 for your suit—it's a good price and get you great values.

AT THE THEATERS

At the Orpheum.
William H. Thompson, the grand old man of the stage, who was seen recently in "Peggy" is back at the Orpheum for the first half of the week in "Civilization's Child." With this drama the Orpheum shows a good Keystone comedy and a vaudeville act furnished by three vocalists of merit.

The management of this theater announce the coming soon of DeWolf Hopper in "Sunshine Dad," a play produced by the Triangle people to be above the average of the Griffith standard. Calkins' orchestra will arrange special music for this production.

At the Iris.
Today and tonight, the Iris presents Robert E. Mantell and Genevieve Hamper in a recent Fox release, "A Wife's Sacrifice." This film is of the play which was burned at the Iris April 8. The comedy feature of the Iris program today will be the chimpanzees. Tomorrow Dustin Farnum will be seen in "David Garrick."

L. J. Padewski, "The Pianola is perfection."

Josef Hofmann "I unhesitatingly pronounce the best of all piano-playing devices."

You Have Chosen the Best!

The Greatest Pianists of the World Indorse Your Choice of

The Pianola Piano

Obviously there are considerations in purchasing a Player Piano more vital than the first cost. Musical worth and proven durability, the capacity to stand years of service, are more important. When these are the deciding issues on which the selection rests there is never any question as to the purchaser's choice. Such unquestioned pre-eminence has the Pianola won in all countries, that its musical and constructional superiority are accepted as a matter of course. Patented playing devices give to the Pianola unequalled supremacy. The difference in price between these celebrated instruments and player pianos of ordinary type is not nearly so great as their relative merits would justify or lead one to expect. For example, the Stroud cost but \$550. We carry the complete Pianola line; newest models; come or write.

Looking Backward In State Journal Society Column

TWENTY YEARS AGO TODAY

Mr. and Mrs. R. P. Updegraff, of Maple Hill, announce the engagement of their daughter, Adelaide Rebecca, to Mr. Edgar Cruger Miller, of Anthony, Kansas.

The news of the engagement was made known Monday at a luncheon given by Miss Ava Sells, of Maple Hill. The decorations for the party were in pink and white, and wild flowers and fruit blossoms were held by shepherdess baskets of white straw, the high handles being tied with pink tulle sprinkled with little pink and white hearts. The place cards were rose petals done in water colors. The announcement was made by means of a telegram delivered during the luncheon, and read aloud to the guests. It was dated from "some place at the front," and read: "A message to proclaim a victory and to herald the approaching wedding of Miss Adelaide Updegraff and Mr. Cruger Miller." It was signed "Capt."

Miss Updegraff is a niece of Mr. and Mrs. O. P. Updegraff, and her cousin, Miss Reta Updegraff and Miss Edith Updegraff, are prominent society girls of Topeka. She has a wide circle of Topeka friends to be interested in the news of her forthcoming marriage. Miss Updegraff is a student in the State Agricultural college, and a member of the Pi Beta Phi sorority. Mr. Miller is a student in the Agricultural college at Manhattan, also, and he is a fraternity man, being affiliated with the Pi Kappa Alpha.

Those who sat around the table at the party yesterday, were: Miss Updegraff, and her mother, Mrs. R. P. Updegraff, Mrs. Sells, James Todd, Mrs. J. Romick, and four girls from Manhattan, Miss Corinne Myers, Miss Mildred Robinson, Miss Agnes McCormick and Miss Elizabeth Quinlan, also Miss Orah Moneypenny, of Topeka, and Miss Pansy Mitchell, of Topeka, Miss Ada Blanton and Miss McClelland, of Maple Hill.

Mr. and Mrs. Allen Beck were in Topeka Monday to visit friends on their way to their new home in Sterling, Col. Mrs. Beck, before her marriage, was Miss Lucille Lynch of Dayton, Ohio, formerly of Topeka. Her marriage to Mr. Beck took place Monday, April 17, in Dayton; her father, Dr. Frank Lynch, reading the service. The Lynch and Mr. Beck became acquainted during their school days, when they were students in Baker university. The Lynch family were well liked in Topeka, and the daughters of the family were social favorites. Mr. Beck is a banker, and is a member of a prominent family.

Mr. and Mrs. Beck have left for Colorado and will make their home in Sterling.

The Music Study club will meet Thursday of this week with Mrs. Morton Albright, in Harrison street.

The Washburn college alumni who come to Topeka for commencement week, are to be entertained at a special party out at the college. A new plan has been arranged whereby the former Washburnites will be able to meet those that they knew in the heyday of their own college life.

This novel party is to be the alumni promenade to be given one evening during commencement week. The walks through and around the campus will be lighted with Japanese lanterns, and band music will be furnished throughout the evening. The Washburn people and their alumni guests will promenade around the grounds to the music.

The Tivoli beauty orchestra, to be given at Kellam hall, Thursday, May 11, promises to be one of the largest dances of the season. It will be similar to the Tivoli finale, held April 25, the success of which is responsible for Thursday evening's party. Ray Hall, leading an orchestra of thirteen pieces, has been engaged to furnish the music. This will be the largest orchestra which has ever occupied the balcony at Kellam's. The subscription will be very informal, and will not be limited to the members of the club only. The music will begin at nine o'clock.

The card and sewing party this afternoon at the Elks hall, given by the Elks club, is an event of importance for this week.

The decorations are of pink roses, hung from the chandeliers, and quantities of lilies and sprays, and other garden flowers. The china exhibit is

The sorority sisters of a certain college girl were shocked and scandalized when the word was passed around that she had given her fiancé, as a birthday present, a pair of B.V.D.'s. The present was given a semblance of the regulation birthday gift by being abundantly tied up with pink ribbon bows and tissue paper.

Mr. and Mrs. George Morehouse entertained guests Monday night in celebration of Mrs. Morehouse's birthday anniversary.

There are rumors of a brand new scrap in musical circles. Musicians' scraps are chronic, but they do sometimes break out in acute form.

El Paso, May 9.—Where the troops would mobilize, Gen. Funston was unable to state, he said, as he was still working out plans for their disposal. Asked if the additional troops would be used to release troops already on the border for duty in Mexico, he refused to reply. The American general had not heard from General Obregon this morning as to the time for another conference. At the temporary Headquarters here it was thought the additional troops would reach the border in less than a week, possibly in four or five days. Being infantry, they can be entrained much faster than cavalry.
